***Statement of Reasons for Allowance***

1. Claims 12-23 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The invention as claimed, specifically in combination with an optical receiver with a first and second photosensitive region surrounding the first photosensitive region and a signal amplifying section connected to the first photosensitive region, with current control means controlling an operating current or voltage for the signal amplifying section according to an electric signal from the second photosensitive region, wherein the second photosensitive region receives a part of light from a plastic optical fiber, and a resin mold part having a lens part and encapsulating the first and second photosensitive regions, the signal amplifying section, and the current control means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Yam whose telephone number is (571)272-2449. The examiner can normally be reached on Monday-Friday 8:30am-5pm.
